MEMORANDUM FOR: DEPUTY DIRECTOR (PLANS)

SUBJECT : Inspector General's Survey of the Technical Services Staff; Space in the New Building

REFERENCE : Memorandum for Chief, Technical Services Staff, from Deputy Director (Plans), dated 13 June 1957, subject: same as above

1. I fully understand why it will not be possible to comply with the Inspector General's recommendation regarding the new building at this time.

2. The difficulties of carrying on in a separate location are, I assure you, purely physical, and not psychological. We shall make every effort to cope with the situation.

3. Your memorandum is greatly appreciated. The Inspectors' report hinted at least that the Chief/TSS desired to be separate, and your memorandum which states the actual circumstances so clearly seems to me to establish that the continued separation of most of TSS from the rest of the Clandestine Services is not of my making.
